Location Information:

Transportation to the testing center is best by train:

Exit Ringbahn or any other S-Bahn at Ostkreuz. Use exit Hauptstraße/Markgrafendamm.

At street level turn right and follow Hauptstraße for about 250 meters (1 min).

Turn right into the next possible street - just in front of the car dealership. The street is also called Markgrafendamm and it looks like a dead end but after about 100 meters the street turns right then to the left. (If the name of the street is Laskerstraße you have gone too far.) After the right/left turn follow the street for about 210 m and you arrive at [Markgrafendamm 24](#) House 16 at your left hand side. Enter the house and you will find the test center at level 3 Room 301.

Do not rely on Google - they provide a wrong entry.
Better call us.

At present, there is no public parking available around the building.
